# NEW ZEALAND FORCE FIRST TEST DRAW

## Saved by Kerr's Splendid Defensive Innings

### VISITORS 175 FOR 8 AT MATCH FINISH

London, June 30.

A stolid innings by Kerr saved New Zealand from defeat in the first Test match at Lord's against England, the game ending to-day in a draw.

The scores at the close were: England, 424 and 226 for four, declared; New Zealand, 295 and 175 for eight.

Things looked extremely gloomy for the tourists before tea when five wickets fell for only 99 runs, and matters were not improved by a shower during the adjournment.

**England Defied**

Roberts and Kerr, however, put up a stubborn defence upon resumption and they were not separated until the stand had produced 44 runs in 45 minutes.

Kerr, in the end, was 38 not out. He batted altogether for 105 minutes and made eight boundaries, seven of which were scored in his first 31 runs. Subsequently he failed to score for half an hour. He showed a fine defence.

Wallace also played his part in staving off defeat, contributing 56 in a knock lasting 90 minutes, during which he hit nine 4's. He was dropped by Robins when he had only five runs on the board.

# HEADQUARTERS FIND NO KINKS IN 2nd BATTALION ARMOUR

## Second Marines Make Wins Four in a Row with 5-1 Victory: Winchester Sighting Well

By Owen Krause

BEHIND Bollack's air-tight pitching, the Second Battalion, U.S.M.C., raced to a 5 to 1 victory over the Headquarters baseball squad yesterday in a City League engagement. The husky right-hander let Capt. Fenton's boys down with only two lone hits which, however, were converted into Headquarters' only run, in the eighth inning.

This victory brought the Second's winning streak to four games and perched them firmly on top of the City League standings, which follow:—

| | W. | L. | Pct. |
|---|---|---|---|
| Second Battalion | 4 | 0 | 1.000 |
| First Battalion | 3 | 1 | .750 |
| Headquarters | 2 | 2 | .500 |
| Amateurs | 1 | 3 | .250 |
| U. S. Navy | 0 | 4 | .000 |

Although Bollack was exceedingly generous with passes, nine Headquarters men reaching first via this route, he was never in danger during any part of the game for his control returned in the pinches. The Second's batsmen went to work with a will on Norris' offerings, connecting for ter lusty bingles which were converted into five runs.

Bunching their hits in the fourth and eighth innings they pushed across two runs in each canto. In the ninth, another run was added through two hits and a walk. Both pitchers received excellent support from their team mates for only two errors were committed, one bobble being charged to each team.

**Winners Opening Tally**

First blood was drawn by the Second Battalion in the fourth inning as Winchester singled to third. Traw hit through first to get on, but was forced out at second on Potts' grounder to the pitcher. In the meantime Winchester roosted on third. Lock drew a pass to fill the bases. "Zipper" Zehr, a dangerous batter, with men on the bags, singled sharpely to score Winchester and Potts. Boles struck out to terminat the Second's portion of this inning

**Headquarters' Orphan Score**

The eighth inning saw Manager Beeson's men renew their attack when Bollock hit through third and went to second as Traw received a base on balls. Potts singled to score Bollack and "Man-Mountain" Lock smacked a hit to centre field to push Traw across home plate. The last half of this inning saw Bollack's hopes of a hitless game blasted. Varconie grounded to deep short and beat the throw for a scratch safety. Kiltie, however, smashed out a long triple to score Varconie.

In the ninth, Paisley started off with a hit to centre. Miles walked, and Winchester singled with a lusty smack through short to score Paisley, the final run of the game.

Winchester was the outstanding hitter of the day, collecting three singles in four trips to the plate.

The box score reads:—

### WOMEN'S TENNIS LEAGUE PROSPECTS

The Shanghai Women's Tennis League series will get into swing again to-day after the enforced holiday last week due to the rain. Six teams are due to clash in the senior division and ten in the junior league. The Country Club, at home, encounter the Columbia Country Club and are favoured to win fairly easily. The leaders, the Cercle Sportif Francais "A" squad, meet the Junior Athletic Club at the Hongkew Park and should take a firmer grip on the senior championship. To date they have not dropped a single set in eighteen and if they overcome the Country Club when the two clash the first division championship is as good as theirs.

The Swiss Club, who are on the top rung of the second division league standings, will encounter stiff opposition from the Catholic Club to-day. The latter are only a few points behind the leaders and will endeavour to better themselves in this decisive match. The Deutscher Tennis Klub team are also well in the running for premier honours and are favoured to do well against the Bramtoco side despite the latter's fine 9-0 victory over the weak A.S.P. "B" outfit.

All postponed matches of June 24 will have to be played off sometime during this week if the weather permits. The schedule to-day is as follows, the first named at home:

**FIRST DIVISION.**—Country Club v. Columbia Country Club; Junior A.C. v. C.S.F. "A"; C.S.F. "B" v. Rowing Club.

**SECOND DIVISION.**—Girls' Friendly v. Country Club; Cathedral v. Junior A.C.; A.S.P. "A" v. A.S.P. "B"; Deutscher T.K. v. Bramtoco; Swiss Club v. Catholic Club.

### TYRO AND ARMY POLO TOURNAMENTS

#### Oft Delayed Matches May Be Played To-day

By "The Squire"

At long last it really does seem probable that the often delayed matches in the Tyro and Army Polo Tournaments will be played on the Shanghai ground, this afternoon.

Yesterday's hot sun rapidly dried up the ground, and the groundsman has been busy baling the water from one or two damp places and there is every hope that the ground will be in very good shape.

The final of the Tyro Cup (this afternoon's match is the semi-final) will be played on Saturday afternoon. It is not probable that there will be any other match play that day, in the Army Cup series, as all the leading American players are keeping their ponies for their great match on Monday and are naturally anxious not to tire them out in a very fast game only two days before.

As to-day is not a general holiday the Tyro match will be played first as the two teams can be there at four o'clock, and it is hoped to start the second match, between the Thrusters and the Klaxons immediately afterwards. The third match will be between Ewo and the Caterpillars.

It is hoped that Mr. Hayes will umpire at least two of the matches.

# CUBS WITHSTAND ST. LOUIS ATTACK

## National League Leaders Win After 12 Hectic Innings

### NEW YORK GIANTS NOW THE RUNNERS UP

New York, June 29.

In the most spectacular game of the 1937 season, the Chicago Cubs to-day beat back the attack of the St. Louis Cardinals on the National League leadership.

The Cubs won, 11-9, after twelve innings of hectic play in which the lead changed hands five times. The winners used five pitchers in the course of the game, and the losers four.

Jerome ("Dizzy") Dean, fared dismally. After relieving Jim Winford, Dean "blew" his team's one-run lead in the twelfth inning and allowed the Cubs to score three times to clinch the victory. In the last half of the inning the Cardinals struggled vainly to solve the deliveries of Charley Root, but were hand-cuffed by the Chicagoan and went down to defeat.

The result sent the Cardinals from second to third place, and the New York Giants moved into the runner-up position. The Cubs still hold a half-game lead over the New Yorkers.

**Giants Beat Phillies**

The Giants had squeezed out a 4-3 victory over the Philadelphia Phillies. Each team collected eight hits. The game went ten innings before a 3-3 tie was broken. Youthful Johnny McCarthy, whom the Giants acquired from Los Angeles this year, cracked out the fateful single which brought Jim Ripple home with the winning run.

### *A Way They Have in the Army*

When Kent played Worcester on the Royal Engineers' ground at Gillingham, arrangements for the comfort of spectators were organized with admirable efficiency. Apparently the Army takes great care of its cricketers as well as of those who come to watch, but is apt to be a little reckless with its sports committees. There is a balcony fitted to the Royal Engineers' pavilion and at the foot of the steps leading to the balcony was this notice:—
